## MARKET SURVEY

### FOR THE AWARDING OF CALIBRATION VISITS AND EXTRAORDINARY MAINTENANCE OF MKIV BREWER #066 FOR YEARS 2017, 2019 AND 2021.

Agenzia Regionale per la Protezione dell'Ambiente della Valle d'Aosta (ARPA), based in Italy, Saint-Christophe (AOSTA), Località Grande Charrière n. 44, needs to entrust the service of calibration visits and extraordinary maintenance of MKIV BREWER #066 for years 2017, 2019 and 2021.

The service consists of the following performances on **MKIV BREWER #066**:

- **3 CALIBRATION VISITS and EXTRAORDINARY MAINTENANCE for the YEARS 2017, 2019 AND 2021.**

**The company must meet the following requirements:**

- supply updates of the Brewer operating software;
- provide and update essential data processing tools (e.g., for ozone retrievals, QA/QC based on instrumental parameters, analysis of results of regular calibrations, etc.);
- supply an example list of successful repairing of malfunctioning Brewers during previous worldwide calibration visits;
- assure repair of all components (including electronic boards) of the MkIV Brewer #066.
- attest the permanent comparison/check of the travelling standard to an internationally-recognized Brewer triad;

The companies concerned will have to submit expressions of interest by e-mail to [protocollo@arpa.vda.it](mailto:protocollo@arpa.vda.it) **no later than the day February 23 2017**

ARPA will not accept expressions of interest received after the above deadline.

ARPA may request any additional informations or documentary clarifications without this might be detrimental to the principle of impartiality that distinguishes the work of the same.

This market survey does not constitute a contract proposal and will not be binding for the writer's administration towards the applicant. Therefore ARPA may cancel, or revoke, at any time, for reasons of its exclusive competence, the proceedings initiated without the candidates can boast no claim to any title.

Any additional informations or documentary clarifications can be requested by e-mail to Mr. Henri Diémoz ([h.diemoz@arpa.vda.it](mailto:h.diemoz@arpa.vda.it)) no later than the day February 20 2017.
